INTERESTS

PROFILE

Designer with 5 years of professional experience in UX/UI, product design and marketing. I work with a narrative-driven approach, building cohesive experiences where structure supports storytelling.

My background in board game design informs the use of gamification when projects require deeper engagement or behavioral guidance. Drawing and writing are part of my creative toolkit, helping translate ideas into clear and intentional design decisions.

EDUCATION

+ ITESO

2018 - 2023

Degree in Design

Degree focused on strategic, visual, and sustainable design, integrating theory, technology, and social context to create purposeful solutions.
